

SDX Inspect

Training by department

Capacitación por departamento

Inspector · Stand teams · Maintenance · Cleaning · Ecolab · Admin

The screenshot displays the SDX Inspect mobile application interface. At the top, there is a dark blue header with the 'sodexo' logo, a red 'Save Report' button, and notification and menu icons. Below the header, a purple banner indicates '1 follow-up overdue for recheck' with a 'Review' link. The main content area is titled 'Food Safety Quick Reference' with a 'SERVSAFE' dropdown. A dark blue button prompts the user to 'Scan stand QR — start an inspection with everything pre-filled'. Below this, a 'Form Progress' section shows a progress bar for '2/5 sections' with steps: Details (checked), Location (checked), Equipment (3), Checklist (4), and Notes (5). The 'Inspection Details' section includes an 'On-site' status indicator (checked, timer running, started at 04:06 PM) and a 'Scan stand QR' button. Below this are input fields for 'Type' (Regular Inspecti), 'Date' (09/14/2026), 'Inspector' (App Reviewer), 'Participants' (optional, e.g., Chef Rodrigue), 'Supervisor' (e.g., GM / Chef Le), 'Restaurant Name' (MAGIC CITY DOG), 'Unit Number' (114), and 'Restaurant License #' (NOS2319802). A final section at the bottom states 'No License on File — tap to acknowledge & flag'.

EVERYONE

Agenda — six sessions, 20 minutes each

Inspector

The walk, follow-ups, who logged today

Recorrido, seguimientos, quién registró hoy

Stand teams

Scan the poster, temps, report a problem

Escanear el cartel, temperaturas, reportar

Maintenance

Your board, In process, After photo, Fixed

Tu tablero, En proceso, foto Después, Arreglado

Cleaning

Same board + we cleaned it / billing

Mismo tablero + lo limpiamos / facturación

Ecolab

Same board + sanitizer standard

Mismo tablero + estándar de sanitizante

Admin

Users, invite links, licenses, dashboard

Usuarios, enlaces, licencias, tablero

One system, three teams, one loop

EVERYONE

Any phone, any iPad, any desktop — one link

- Nothing to install. Open the link, sign in with your badge.
- Phone in the field, iPad on the walk, desktop in the office.
- 🌐 on every screen: 18 languages. Portal and crew boards are native EN / ES.
- New version? A bar at the bottom says Reload. Finish and save first.

Rules for everyone

ENGLISH

1. One QR poster per stand, inside the door.
2. Every problem needs a photo and a corrective action.
3. A red temperature needs a reason and what you did.
4. Names, units and brands are in UPPER CASE. Every stand shows its type.
5. NO LICENSE / REQUESTED shows on stands without one.
6. Write it in your own words — the app reads EN and ES.

ESPAÑOL

1. Un cartel QR por puesto, dentro de la puerta.
2. Cada problema necesita foto y acción correctiva.
3. Una temperatura roja necesita razón y qué hiciste.
4. Nombres, unidades y marcas en MAYÚSCULAS. Cada puesto muestra su tipo.
5. NO LICENSE / REQUESTED aparece en puestos sin licencia.
6. Escríbelo con tus palabras — la aplicación lee inglés y español.

INSPECTOR

The inspector's walk

El recorrido del inspector

20 min · demo + hands-on · scan a poster, fail one item, resolve it

Sign in, go on site

- Badge number → Sign In.
- Tap "on site" to unlock the day.
- The bell shows fixes and supervisor logs.
- Menu footer shows the app version.

Scan the poster — the form fills itself

-  Scan stand QR in the form header.
- Name, unit, floor, type, license, phone, supervisor fill in.
- Typing a name never prefills — only a scan or an Assigned Location tap.
- Bars and pantries: type them by hand.

The screenshot displays the 'Inspector' app interface. At the top, there's a 'Save Report' button and a notification icon. Below, a status bar indicates '1 follow-up overdue for recheck' with a 'Review' link. The main section is titled 'Food Safety Quick Reference' with a 'SERVSAFE' dropdown. A prominent dark blue button labeled 'Scan stand QR — start an inspection with everything pre-filled' is shown. Below this, a 'Form Progress' bar shows '2/5 sections' completed, with links for 'Details', 'Location', 'Equipment', 'Checklist', and 'Notes'. The 'Inspection Details' section includes a green box for 'On-site' status (timer running, started at 04:06 PM) with a 'Scan stand QR' button and a 'Reset' link. Below this are input fields for 'Type' (Regular Inspection), 'Date' (09/14/2026), 'Inspector' (App Reviewer), 'Participants' (e.g., Chef Rodriguez), 'Supervisor' (e.g., GM / Chef Le), 'Restaurant Name' (MAGIC CITY DOG), 'Unit Number' (114), and 'Restaurant License #' (NOS2319802). A globe icon is next to the license field. At the bottom, a red flag icon and text state 'No License on File — tap to acknowledge & flag'.

Six steps, YES / NO

- Temps → Facilities → Maintenance → Equipment → Utensils → Operations.
- Equipment step lists the stand's coolers and freezers with a temperature box each.
- Red reading = pick a reason + what you did.
- Each red unit becomes its own follow-up, named.

A NO item: BEFORE photo + action

-  BEFORE · the problem (required) ·  AFTER (optional).
- Camera or gallery in one tap.
- Specific location + description (4+ words).
- Corrective action is required. No photo, no save.

Your notes are read

ENGLISH

1. Type "grease under the fryer, cook says two days".
2. The 🧠 panel adds: Cleaning · fryer · corrective.
3. ✕ Not an issue removes it; ⇐ Keep brings it back.
4. Works in English and Spanish, offline.
5. Draft autosaves 4 s after you stop typing, phone + cloud.

ESPAÑOL

1. Escribe "grasa debajo de la freidora, el cocinero dice dos días".
2. El panel 🧠 agrega: Limpieza · freidora · acción.
3. ✕ No es un problema lo quita; ⇐ Keep lo regresa.
4. Funciona en inglés y español, sin internet.
5. El borrador se guarda 4 s después de dejar de escribir, teléfono + nube.

Save — and open problems follow the stand

- Red Save Report in the header.
- Next visit: the stand's open problems show with Before / After.
- Confirm fixed, or keep it open.
- Past Reports: every report, Load all, Search all, Supervisor Log cards.

Follow-ups: every open problem, one card

- Stand, unit, type, category, detail, days open.
- Status chips: Reported · In process · Waiting.
- Bottom bar:  Remind ·  Comment ·  Photo · ✓ Resolve.
- Resolve → 9 s Undo. Put back from the Fixed panel.

Follow-ups: group, filter, remind, export

ENGLISH

1.  By Stand ·  By Type ·  By Floor ·  By Date.
2. Type ▼ and Floor ▼ narrow any view.
3. Remind: pick cards → one Quick Check announcement.
4.  Fixed panel by day, ↔ Put back. 
Cleaning log + PDF.
5. Select → Excel · PDF · Word ·  Before & After (photos in cells).

ESPAÑOL

1.  Por puesto ·  Por tipo ·  Por piso ·  Por fecha.
2. Type ▼ y Floor ▼ acotan cualquier vista.
3. Remind: elige tarjetas → un solo aviso Quick Check.
4. Panel  Fixed por día, ↔ Put back. 
Registro de limpieza + PDF.
5. Select → Excel · PDF · Word ·  Before & After (fotos en celdas).

Analytics → Temps: who logged today

ENGLISH

1. One list: every stand, its people underneath.
2. ✓ Logged 10:42 / 🕒 Missed / never logged.
3. 💬 Text = their personal link, already signed in.
4. ✉️ Text all missed (N): one person at a time, Next, Done.
5. Chips: logged · missed · pending · inspected.

ESPAÑOL

1. Una lista: cada puesto, su gente debajo.
2. ✓ Logged 10:42 / 🕒 Missed / nunca registró.
3. 💬 Text = su enlace personal, ya conectado.
4. ✉️ Text all missed (N): una persona a la vez, Next, Done.
5. Chips: logged · missed · pending · inspected.

Stands & equipment

- Posters & licenses: one card per stand, type, license, QR.
- Floor pills → Print in unit order with a divider sheet per floor.
- 👤 People at this stand: text link, WhatsApp, add person.
- Equipment & verify walk: confirm / fix / remove / add, mark verified.

One message to every stand

- Type it; floors, types and stands pre-tick from the text.
- "all stands", "floor 2", "portables" are understood.
- Stands see it the next time they scan.
- Quick Check: a checklist, answers come back per item.

STAND TEAMS

Scan the poster, log temps, report

Escanea el cartel, registra temperaturas, reporta

20 min · everyone scans the demo poster on their own phone

One poster per stand — scan it

- Taped inside your door. One per stand, not per cooler.
- Scan with the phone camera. No app, no password.
- Pick English / Español.
- Announcements from the inspector show at the top.

The image shows two smartphone screens displaying the Sodexo HACCP Temperature Log interface. The left screen shows a QR code for 'MAGIC CITY DOGS #114' and instructions for scanning. The right screen shows the login form with fields for name and phone number, and a 'Continue' button.

Left Screen (QR Code):

Header: **sodexo** SODEXO LIVE | HARD ROCK STADIUM | KITCHEN CHECK

Title: **MAGIC CITY DOGS #114**
 Permit 1 - CONCESSION - License #W02221802

QR Code

Scan to see this stand's coolers & freezers and log each one.
 (Camera permission is required to use this app. If you have granted permission, you can skip this step.)

HOW TO USE THIS QR CODE: SCAN QR CODE

! CHECK FOOD & EQUIPMENT TEMPS EVERY 2 HOURS - REVISAR TEMPERATURAS CADA 2 HORAS

1 Scan with your phone camera - no app, no login.
 (Camera permission is required to use this app. If you have granted permission, you can skip this step.)

2 Log temps EVERY 2 HOURS: Tap each cooler/freezer and food item, type the temperature, date, MAGIC CITY - Freezer or CFT - Walk In Cooler.
 (Requires permission to access camera & internet. Tap each cooler/freezer and food item, type the temperature, date, MAGIC CITY - Freezer or CFT - Walk In Cooler.)

3 Any problem? Tap & Report a problem - broken unit, hot, past, cleaning, chemicals - add photos. The inspector and the right owner get a text message.
 ¿Algo problemático? Tap & Reportar un problema: refrigerador roto, demasiado caliente, sucio, productos químicos - agregar fotos. El inspector y el responsable correcto le mandan un mensaje.

Right Screen (Login Form):

Header: **sodexo**

Language: English / Español

HACCP Temperature Log
 Please identify yourself before submitting temperatures

MAGIC CITY DOGS · Unit #114 **CONCESSION**

Today's temp log for MAGIC CITY DOGS #114 — not submitted yet

Inspector? Open the inspection form for this stand →

Your Name *
 Full name

Phone Number *
 e.g. 787-555-1234

So the inspector can reach you if needed

Continue

Say who you are

- Name + phone → This is my location.
- Got the inspector's text? You arrive already signed in.
- "not you?" switches person.
- Report a problem only skips the temps.

The image displays two smartphone screens side-by-side, both showing the Sodexo app interface. The left screen is titled 'HACCP Temperature Log' and prompts the user to identify themselves before submitting temperatures. It shows a card for 'MAGIC CITY DOGS' with 'Unit #114' and a 'CONCESSION' button. Below this, a message states 'Today's temp log for MAGIC CITY DOGS #114 — not submitted yet'. There is also a prompt for an inspector to open an inspection form. At the bottom, there are input fields for 'Your Name' (Full name) and 'Phone Number' (e.g., 787-555-1234), followed by a 'Continue' button. The right screen is titled 'Confirm Location' and prompts the user to verify the log is for the correct restaurant. It shows the same 'MAGIC CITY DOGS' card. Below the card, there are two buttons: '✓ This is my location' and 'Report a problem only'. A link for 'Edit location manually' is also present. Both screens have a language toggle at the top (English/Español) and a globe icon at the bottom right.

Log the temperatures

- Tap a food item to open its box. Then YOUR coolers underneath.
- Green = fine. Red = pick a reason and what you did.
- "The inspector asked you to log every cooler today" — do them all.
- Food Safety Quick Reference is right above the form.

The image displays two smartphone screens showing the Sodexo HACCP Temperature Log app interface. The left screen shows the main log form for 'MAGIC CITY DOGS' (Unit #114, CONCESSION). It includes a progress bar for '3 coolers / freezers in this stand to check' (0/3 done), a 'Check food and equipment temps EVERY 2 HOURS' button, and a list of instructions. The right screen shows the 'TEMPERATURE READINGS' section, listing coolers and freezers with their current temperatures and a 'Log it' button.

Sodexo

English Español

HACCP Temperature Log
Hi MARIA P. - 305-555-0101

MAGIC CITY DOGS - Unit #114 CONCESSION

3 coolers / freezers in this stand to check
0/3 done

Check food and equipment temps EVERY 2 HOURS

- 1 Tap a cooler, freezer or food below → type the temperature → save. Green = good, red = write what you did.
- 2 Something broken, leaking, dirty, pests or no chemicals? Use 📷 Report a problem below and add a photo — the inspector and the right crew see it right away.
- 3 Done? Tap Submit at the bottom. Takes 2 minutes.

TEMPERATURE READINGS

Your coolers and freezers are listed first with their brand and where they are. Coolers must read 41°F or below, freezers 0°F or below, hot food 135°F or above. Log every 2 hours during service; if a reading is out of range, write what you did (adjusted, moved product, called maintenance).

3 YOUR COOLERS & FREEZERS logged

One reading per unit - coolers ≤ 41°F - freezers ≤ 0°F - every 2 hours

2-DOOR COOLER - DELFIELD BACK OF H... ≤41°F Log it

PREP COOLER - ATOSA FRONT LINE ≤41°F Log it

REACH-IN FREEZER - TRUE BACK OF HO... ≤0°F Log it

Report a problem in your words

- Write what is wrong and where. The app picks category and unit.
- ✕ any chip that is wrong. + Add details is optional.
- Photo required. Corrective action. + Add another problem.
- Send → Submitted! — it goes straight to the crew.

Keep your equipment list right — it is your report

ENGLISH

1. ✎ Edit this unit → Fix name / location.
2. Moved to another stand → search, tap.
3. Not here anymore → it leaves your list.
4. + Add a cooler / freezer that is missing.
5. Your log is saved as the stand's own report — the inspector is notified.

ESPAÑOL

1. ✎ Editar → Corregir nombre / ubicación.
2. Se movió a otro puesto → busca, toca.
3. Ya no está aquí → sale de tu lista.
4. + Agregar nevera / congelador que falta.
5. Tu registro se guarda como reporte del puesto — el inspector recibe aviso.

MAINTENANCE

Your board: In process, After photo, Fixed

Tu tablero: En proceso, foto Después, Arreglado

20 min · close the demo card on your own phone

Get in, pick your language

- Tap the invite link → badge number + name → Join.
- That badge signs you in from now on.
- English / Español / Kreyòl pills above the tabs.
- The problem text translates too.

The card: what, where, and the BEFORE photo

- Stand + unit + type · the problem · flagged when · days open · who reported.
-  BEFORE photos from the report.
-  In process starts the clock →  Send.
-  Waiting on... part, vendor, empty stand.

AFTER photo, then Fixed

-  Take photo or  Upload the AFTER photo — required.
- One line: "replaced the cartridge, tested, no leak".
- Send → minutes on the job are recorded, card leaves your list.
- The inspector gets the alert with your photo.

Not yours? Move it

- Pest, cleaning or Ecolab job on your board?
- Not mine → move → pick who it belongs to.
- It leaves your board; the inspector is told.
-  Reports tab: the full inspection behind each card, 60 days.

CLEANING

Same board, plus who pays

Mismo tablero, más quién paga

20 min · same taps as maintenance · close one demo cleaning card

CLEANING

We cleaned it / it was already clean

- Same board and same taps as Maintenance.
- On  Fixed:  We cleaned it /  Already clean. Typing it pre-picks.
- The stand type is stamped: CONCESSION problem / SUBCONTRACTOR problem.
- Subcontractor jobs are billable — the cleaning log and PDF use it.

ECOLAB

Same board, chemicals and sanitizer

Mismo tablero, químicos y sanitizante

20 min · close one demo Ecolab card · move a leak to Maintenance

Your cards, your standard

- Sanitizer concentration, dish machine, dispensers, test strips, storage.
- "Sanitizer too weak" or "no hay químico" route to you automatically.
- The Food Safety reference sanitizer tab is the standard everyone sees.
- A leak or grease? Not mine → move.

ADMIN

Users, links, licenses, dashboard

Usuarios, enlaces, licencias, tablero

20 min · create a test invite link · mark one license requested

Dashboard and schedule

- Performance: inspections, pass rate, open problems, fixes.
- By inspector and by stand.
- Month calendar of planned inspections.
- Global admins: "Viewing reports for" venue banner.

Users, invite links, licenses

- Users: approve requests, set roles, soft-remove.
-  Invite links: one per role with a QR — Save / Print / Copy.
- License registry: mark rows requested / active / added. It drives posters and stand ids.
- Stand list: add / edit / hide, contacts per stand.

Alerts today, push tomorrow

ENGLISH

1. In-app: the bell shows fixes and supervisor logs while the app is open.
2. Push with the app closed is coded but not turned on.
3. Needs: the Web Push key pasted in + one deploy (docs/PUSH-SETUP.md).
4. iPhone: only a Home Screen app receives push.

ESPAÑOL

1. En la app: la campana muestra arreglos y registros mientras está abierta.
2. Push con la app cerrada está programado pero no activado.
3. Falta: pegar la clave Web Push + un despliegue (docs/PUSH-SETUP.md).
4. iPhone: solo la app en pantalla de inicio recibe push.

EVERYONE

Quick-reference cards

Tarjetas de referencia rápida

Print one per department · tape it inside the office or the stand door

Inspector — your 6 taps

ENGLISH

1. on site →  Scan the stand poster.
2. NO on an item → BEFORE photo + location + action.
3. Save Report.
4. Analytics → Follow-ups: Remind, Resolve, Put back.
5. Analytics → Temps: who logged, Text all missed.
6. Select →  Before & After when you need proof.

ESPAÑOL

1. on site →  Escanea el cartel del puesto.
2. NO en un punto → foto BEFORE + ubicación + acción.
3. Guardar.
4. Analytics → Follow-ups: recordar, cerrar, regresar.
5. Analytics → Temps: quién registró, Text all missed.
6. Select →  Before & After cuando necesites la prueba.

Stand team — your 5 taps

ENGLISH

1. Scan the poster (or open the inspector's text).
2. Name + phone → This is my location.
3. Food temps, then your coolers. Red = reason + action.
4. Problem? Write it, photo, action, Send.
5.  Edit this unit if a cooler moved or is gone.

ESPAÑOL

1. Escanea el cartel (o abre el texto del inspector).
2. Nombre + teléfono → This is my location.
3. Temperaturas de comida, luego tus neveras. Rojo = razón + acción.
4. ¿Problema? Escríbelo, foto, acción, Send.
5.  Editar si una nevera se movió o ya no está.

Crews — your 5 taps

ENGLISH

1. Open the link, pick your language.
2. Read the card: stand, unit, BEFORE photo.
3.  In process → Send.
4.  AFTER photo →  Fixed → one line → Send.
5. Not yours? Not mine → move.

ESPAÑOL

1. Abre el enlace, elige tu idioma.
2. Lee la tarjeta: puesto, unidad, foto BEFORE.
3.  In process → Send.
4.  Foto AFTER →  Fixed → una línea → Send.
5. ¿No es tuyo? Not mine → move.

Admin — your 4 places

ENGLISH

1. Users: approve and set roles.
2. Invite links: one QR per role.
3. Licenses: keep the sheet current.
4. Dashboard and schedule.

ESPAÑOL

1. Usuarios: aprobar y asignar roles.
2. Enlaces: un QR por rol.
3. Licencias: mantén la hoja al día.
4. Tablero y calendario.

The 20-minute session, per department

Department	Demo live (10 min)	They do it (8 min)	Check (2 min)
Inspector	Scan, fail the hand sink, save, Follow-ups, Resolve, Temps, Text one person	Full inspection of MAGIC CITY DOGS #114, one flagged item	"Show me the problem on the crew board and in Fixed"
Stand teams	Scan → identify → temps (one red) → problem → Submitted; the SUPERVISOR LOG card	Log the demo stand's temps + one problem with photo	"Text me your stand link" · "add the missing freezer"
Maintenance	In process → After photo → Fixed; Not mine → move	Close the demo card; move one to Cleaning	"Where does the inspector see your after photo?"
Cleaning	Same + we cleaned it / already clean + cleaning log	Close a demo cleaning card	"Which jobs get billed to the subcontractor?"
Ecolab	Same board; a sanitizer card; the sanitizer tab	Close a demo Ecolab card	"Move a leak card to Maintenance"
Admin	Users, invite link with QR, license row, dashboard	Create a test invite link, join with a test badge	"Mark a license requested, find it on the poster"

Inspection, done together.

Inspección, en equipo.
